

The Criminal Justice Coordinating Council

RESOURCE LOCATOR USER GUIDE

The Criminal Justice Coordinating Council (CJCC) Resource Locator is a searchable, online database of service providers in the Washington, DC, metropolitan area that allows users to navigate easily through services available to those in the community who require assistance on a variety of matters including, but not limited to, housing, substance abuse, mental health, social services, medical, or legal needs. This empowering guide to resources located in the metropolitan area is available to the general public as well as legal, medical, education, and social service practitioners.

History of the Resource Locator

The CJCC serves as a forum for identifying issues and their solutions, proposing actions, and facilitating cooperation that will improve public safety and the related criminal and juvenile justice services for District of Columbia residents, visitors, victims and offenders. In furtherance of its mission, the CJCC is guided by the principles of creative collaboration, community involvement, and effective resource utilization. The CJCC collaborates with local and federal agencies and individuals to develop recommendations and strategies for accomplishing this mission.

The Resource Locator was created under the auspices of the CJCC Substance Abuse Treatment and Mental Health Services Integration Taskforce, a city-wide initiative of agency and community partners dedicated to improving the treatment options available to District residents involved with the criminal justice system and with mental illness, substance abuse, or co-occurring disorders. The Resource Locator was created in collaboration with the Pretrial Services Agency for the District of Columbia and was derived from the Public Defender Service for the District of Columbia's Directory of Adult Services.

Purpose of the Resource Locator

The information provided in the Resource Locator is intended to furnish the user with a general knowledge of services available in the Washington, DC, metropolitan area. The inclusion of any

service provider in the Resource Locator should not be interpreted as an endorsement by the Criminal Justice Coordinating Council.

Every effort has been made to provide current and accurate information regarding every resource. However, all users should keep in mind that services change, new service providers are created and service providers may have updates/changes to their names, location(s), telephone numbers and services provided.

We are constantly striving to improve the Resource Locator and appreciate and encourage thoughtful feedback. If you have any questions or comments about the Resource Locator, please use the link found at the bottom of any page of the website or use the “Contact Us” link under the “About Us” tab.

The Resource Locator gives you the flexibility to conduct a search for service providers within the Washington, DC, metropolitan area by name, category of service, or location. The menu bar on the left of the screen lists the different types of searches you can perform, or you can browse all service providers alphabetically in the index. You can also conduct an advanced search for specific program features within a category of service.

Find Service Providers by Name

Select **Name** from the toolbar on the left hand side of the screen.

Type the name of the service provider in the space provided. Note that a drop-down menu of service providers will appear as you begin typing. Click **Search** to view your results.

The screenshot displays the website's navigation bar with links for Home, About Us, Access Resource Locator, Emergency Numbers, and Useful Websites. The main content area features a sidebar on the left with a 'Find Facilities By' dropdown menu where 'Name' is selected. The main panel is titled 'Find Service Providers by Name' and includes a text input field labeled 'Enter name here:' and a 'Search' button. A blue arrow points to the 'Name' option in the sidebar. The footer contains a disclaimer: 'Please direct any questions about specific services or specific service providers to that service provider. If you have any questions, comments, or need to report any issues related to this website, please [click here](#).'

Find Service Providers by Category

Select **Category** from the toolbar on the left hand side of the screen to expand the category menu. Select the category of service within which to search (e.g. **Substance Abuse**).

Enter an address as a starting point to search for nearby service providers within the category of service you have selected. Select the distance for your search radius. Click **Search** to view your results or click **Advanced Search** for more options. (Additional information about using the “Advanced Search” feature is under the “Advanced Search” heading below.)

Note that the Resource Locator displays a map and a listing of results 10 facilities at a time.

The screenshot displays the website's navigation bar with links for Home, About Us, Access Resource Locator, Emergency Numbers, and Useful Websites. Below the navigation bar is a header section with three images: the CJCC logo, a hand holding a pen, and a hand holding a house. The main content area is titled "Find Service Providers by Category: Substance Abuse". A sidebar on the left, under "Find Facilities By", lists various categories, with "Substance Abuse" highlighted and a blue arrow pointing to it. The main search area contains input fields for Street Address, City, State (a dropdown menu), and Zip, with "AND/OR" between the State and Zip fields. Below these fields is a "Distance from Address" dropdown set to "1" miles. Two buttons, "Search" and "Advanced Search", are located at the bottom of the search area, with a blue arrow pointing to the "Advanced Search" button. A footer at the bottom of the page contains contact information and a link to report issues.
